EdTech Company Prepzee to train 1,00,000 IT aspirants globally
ANI | Updated: Dec 01, 2022 18:02 IST

New Delhi [India], December 1 (ANI/PNN): As 2022 nears its end, Prepzee Learning Solutions Pvt Ltd takes the initiative to train 1,00,000 IT aspirants around the world over the next few years. The EdTech company intends to provide the global IT sector with skilled, competent, and passionate IT professionals who help businesses worldwide drive digitization.

Two years of a global pandemic have made businesses and professionals across the world realize the importance of embracing digitization. The last two years have witnessed alarming spikes in the adoption of online collaborative platforms, virtual workspaces, cloud-based applications, and several other software systems that facilitate efficient, flexible, and scalable operations. Irrespective of their operational scales, businesses belonging to almost every sector are driving digitization to stay in tune with the current environment.
